	<p><u>What is the Dancers Showcase?</u> The Showcase is referring to the material that the dancers from each level learn during the last class of their designated ballroom. The class will be held from 1-1:55 with the exception of Phaze 1 dancers (1-1:30). All registered dancers will gather together in the Phaze 4 Room at 1:55 to perform (as a group) for one another. This is just a fun way for us to end our convention & it gives the dancers an opportunity to support each other & show off for the parents & observers! Pictures will also be taken during this time of each group for us to post on our Dupree Dance facebook! The convention will conclude by 3:00 PM.</p>
